

NORTH EAST SURREY CREMATORIUM BOARD

CREMATION PLOTS

In response to many requests from families the Board are now providing an additional facility in the Gardens of Remembrance.

Small individual plots are now being provided in one part of the Gardens for the interment of up to four sets of cremated remains. The plots measure 18" square and after the first interment of cremated remains a granite memorial tablet, which includes a flower container, will be supplied by the Board to mark the plot.

The plots are sold for a ten year dedication period and a reminder letter will be sent to the purchaser at the end of this period. Upon payment of the renewal fee the plot will be re-dedicated for a further period of years as stated on the renewal letter. It is most important that any change of address is notified to the Registrar so that the reminder will reach you.

For full conditions of dedication and to arrange for selection of the plot, please apply to the Registrar at the Crematorium Office for an order form, this form must be completed and signed before a plot can be purchased.
