## ARRANGEMENTS AND PROCEDURES FOR MEMORIALS

**Books of Remembrance:** The books are updated with new entries in March, June, September and December except the current books on display which are updated in the following month. Each book is photographed annually before going on display so it may take up to one year to view your entry in the electronic Book of Remembrance.

**Miniature Books and Cards:** These are hand made at the studio and normally take 2-3 months.

**Crystal Plaques:** A position in the Remembrance Building can be personally selected or can be chosen by the staff. The plaque is ordered at the end of the month in which payment is made and the plaque will be delivered and placed approximately 1 month later.

**Memorial Roses:** These are already planted in the garden. The standard memorial plaque for the rose will be made as soon as possible and placed on the rose within a few days. Deluxe plastic or slate tablets will be delivered approximately 6-10 weeks later. Replacement roses are only planted between January and April each year. A list is kept throughout the year and any request for replacement received between 1<sup>st</sup> May and 31<sup>st</sup> December will be held until the following spring.

**Rockery Plaques:** A position in the rockery can be personally selected or can be chosen by the staff. The plaque is ordered at the end of the month in which payment is made and the plaque will be delivered and placed in the garden approximately 1 month later.

**Cremation Plots:** There are new plots available. Please contact the office to check availability of reclaimed plots. The memorial tablet will be placed on the plot approximately 4-6 weeks after payment of the fees.

**Kerb Vases:** These are sold strictly in rotation but the staff will be pleased to show you the next available plot which would be reserved upon payment of the fees. The vase will be placed on the plot approximately 2 months after payment of the fees.

**Cremated Remains Graves:** These are sold strictly in rotation but the staff will be pleased to show you the next available plot which would be reserved upon payment of the fees. The cremated remains may be interred by appointment at your convenience after purchase.

**Granite Niche:** The Granite Niche is an individual above-ground chamber that will accept two or four sets of ashes. The chamber is sealed by a granite tablet that can be inscribed with your choice of inscription.

**Tree of Life:** A memorial leaf may be placed on the Tree of Life with an inscription of up to 107 letters / spaces. Each silver leaf measures 150 mm x 150 mm and is made of opaque brushed finished metal.

Selection of any memorial can take place during normal working hours, 9am to 4pm Monday to Friday only. Staff are not available at weekends or public holidays. Entries in the Book of Remembrance can be on the date of death or a birthday or anniversary. If you are unable to see the Book on the entry date the Crematorium Attendant will be pleased to show you the relevant page, by appointment, during normal working hours.

**Please notify the office of any change of address as a reminder letter is sent at the end of the dedication period.**
