**Why a memorial?**

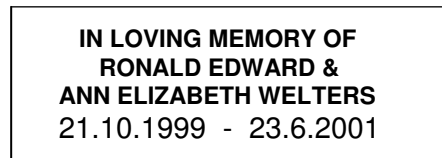

There will be moments when you wish to remember quietly and the purchase of a memorial, of your choice, can provide a place to visit and remember. Indeed their value in the grieving process is accepted by professionals who help the bereaved. A commemorative memorial can pay tribute to the departed or fill the need to perform one last act of giving and make a record for future generations.

The Board provide a wide variety of forms of commemoration two popular forms are a Memorial Plaque on the Rockeries or a teak seat in the Gardens of Remembrance.

The actual plaques measure 7" x 3" and are reverse engraved perspex with lettering in gold on a black ground, a sample can be seen in the Crematorium Office or on the rockeries.
