New memorial Scheme

The Board are now providing an additional facility in the Gardens of Remembrance.

A new Kerb Memorial Scheme has been introduced for the interment of up to two sets of cremated remains. The kerb vase memorials measure 25 cm x 28 cm and contain a flower container as shown below. The remains are interred, loosely into the ground under the memorial and the site is dedicated for a five year period, a reminder letter will be sent to the purchaser at the end of this period. Upon payment of the renewal fee the plot will be re-dedicated for a further period of years as stated in the renewal letter. It is most important that any change of address is notified to the Registrar so that the reminder will reach you.
